H2020-DS-SC7-2016
DS-05-2016

EU Cooperation and International Dialogues in Cybersecurity and
Privacy Research and Innovation

Cybersecurity and privacy dialogue between Europe and Japan[†]

Dissemination handbook

Abstract: *The dissemination form will be filled by each EUNITY partner that took part in a dissemination event.*

Contractual Date of Delivery	May 2019
Actual Date of Delivery	May 2019
Deliverable Dissemination Level	Public
Editor	Despoina Antonakaki, Christos Pappachristos, Sotiris Ioannidis
Contributors	All EUNITY partners
Quality Assurance	Gregory Blank

[†] The research leading to these results has received funding from the European Union H2020 Programme under grant agreement n° 740507.

The *EUNITY* consortium consists of:

Institut Mines-Telecom	Coordinator	France
FORTH	Principal Contractor	Greece
ATOS Spain SA	Principal Contractor	Spain
NASK	Principal Contractor	Poland
KATHOLIEKE UNIVERSITEIT LEUVEN	Principal Contractor	Belgium

1

Introduction

This form is a template that should be completed by the partner who participated in a relevant activity or event, with the aim to spread information, concerning EUNITY project, create opportunities for sharing and research directions, as well as to identify common research paths. The information that should be provided includes the objectives of the event, the purpose of the visit for the corresponding EUNITY partner who participated and how this contributed to the goal of EUNITY project. Also, the type of participants, the number of EUNITY partners as well as, the overall number of participants that visited this event are mandatory. Finally, the partner should provide whether the initial intention to visit this event was accomplished, in what scale and how this contributes to the goals of EUNITY project.

We also provide a sample filled form, as an example.

2.1 Objectives

2.1.1 Scope of the event

Please provide the scope of the event you visited, and how this contributes to the goal of EUNITY project.

2.1.2 Purpose of your the visit

Please provide the objective of your visit to this event.

e.g. Why you visited this event? How is this aligned with the scopes of your project?

2.2 Participants

2.2.1 Type of participants

Please provide the type of participants to this event (e.g academia, industry) that participated this event.

2.2.2 Number of participants

Please provide the number of participants from your institute, as well as the overall number of participants that visited this event.

2.3 Accomplished goals - Measurements

In what scale where your objectives accomplished?

2.3.1 Key Performance Indicator

Describe your initial intention to visit this event, whether it was accomplished and in what scale.

Dissemination action form sample

Title of the event, date

3.1 Objectives

3.1.1 Scope of the event

Please provide the scope of the event you visited, and how this contributes to the goal of EUNITY project.

The France-Japan workshop on cybersecurity is an annual event for the French and Japanese cybersecurity research communities..... The participation of our partners in this event will boost the collaboration...

3.1.2 Purpose of your the visit

Please provide the objective of your visit to this event.

e.g. Why you visited this event? How is this aligned with the scopes of your project?

The purpose of attending the event was twofold. First, it enabled a presentation of the current status of the project , to gather feedback on the contents of the deliverable To this purpose, a reduced slide deck presented the main highlights of the deliverable. Second, it enabled the EUNITY participant to obtain information about the Japanese presentation on these subjects, particularly on Society 5.0.

3.2 Participants

3.2.1 Type of participants

Please provide the type of participants to this event (e.g academia, industry) that participated this event.

The participants were from academia, research

3.2.2 Number of participants

Please provide the number of participants from your institute, as well as the overall number of participants that visited this event.

The number of participants reached approximately with ... people from ... EUNITY partner.

3.3 Accomplished goals - Measurements

In what scale where your objectives accomplished?

The objectives of gathering information were fully achieved. Information gathered about the Japanese perspective will be folded into deliverable ... and The following points can be highlighted:

3.3.1 Key Performance Indicator

Describe your initial intention to visit this event, whether it was accomplished and in what scale.

The intention was fully/not accomplished.
